

AICEIM CONSTRUCTION LTD

Now Hiring:

### **Equipment Operator**

AICEIM Construction Ltd. is a contracting company with operations in Calgary, Alberta and surrounding area. We specialize in consulting, design, procurement and installation of shallow utilities for residential and commercial development. We are currently looking for an Equipment Operator to join our team in Calgary and surrounding areas.

#### Description:

Safely and efficiently operate rubber tire backhoes installing utilities such as power, cable TV, gas and telephone facilities, and work with the crew on the ground when operating is not required.

#### Duties:

- Responsible for safely and accurately operating equipment.
- Ensure equipment is functioning properly & be able to complete some minor repairs.
- Routinely perform operational checks on equipment before, during and after use.
- Digging, sanding, backfilling & compacting shallow utility trenches, and clean-up afterwards.
- Safely expose existing utilities without contacting or damaging them.
- Ability to correctly change equipment and buckets based on the type of work being performed.
- Overall assistance to crews doing various tasks to ensure timely project completion.
- Participate in and contribute to daily job site hazard assessments and weekly safety meetings.
- Installing pre-cast concrete structures & underground fibre glass vaults.
- Assist in trenching, excavating, sanding, & backfill of trenches and installation of streetlights.

#### Skills, Abilities & Experience:

- Safety credentials and a **safety first** attitude (safety orientation will be done upon hiring)
- Class 5 Drivers License with a clean abstract.
- 3 years experience operating equipment as described above
- Willing and able to commute. Most work will be around Calgary, but be prepared for the possibility of travel throughout Alberta. Reliable transportation is a must.
- Need to be reliable, punctual and willing to learn.
- Hard working, team player dedicated to company success.

Wage negotiable based on Experience. To apply, please visit [www.aiceim.com/employment](http://www.aiceim.com/employment) and fill out the online form. No phone calls please. Only those chosen for an interview will be contacted.
